## West Acton

### IN THIS ISSUE

Welcome to Monkey Puzzle West Acton!

Happy New Year to all our parents and carers!

We have had a lovely opening month here at Monkey Puzzle. Thank you to everyone who has supported us through our first couple of weeks.

We have been exploring our new toys and equipment as well as investigating the equipment in the garden.

We have been learning about taking turns, sharing and making friends.

Don't forget to look out at our website and Family for more updates!

As a management team, we appreciate all your feedback and comments and we would like to reinforce that our door is always open. We are always happy to talk to you about your child's development, any worries you may have and happy to support you with any queries.

### Notices and Reminders:

• **Drop off/Pick up** In line with our Safeguarding Policy, we kindly ask that **UNDER NO CIRCUMSTANCES** should you hold the foyer door open for anybody allowing them access into the main body of the nursery. We know that this can seem a little over the top when you recognise the person behind you but it is something that we **MUST INSIST** on. Many thanks for your understanding with this matter.

• **Medication** Please advise a member of staff if your child is on any medication. You do not need to send any pain relief (Calpol or equivalent) into nursery. We have our own supply which is kept away from children at all times.

• **Photographs** We would like to update Family Sign in with photographs of adults that collect your child from nursery to aid our safeguarding practice. Therefore, please can we ask that you send a photo of anyone (including yourself) who picks or may pick your child up from nursery to [manager@monkeypuzzleacton.co.uk](mailto:manager@monkeypuzzleacton.co.uk) Please ensure that it is just a clear, head shot only.

We are excited to announce that we have received a 5 in our Food Hygiene Rating from the Food Standards agency!

We are very proud to announce that we have passed our Ofsted Registration inspection with flying colours!

Our Ofsted Registration Number is: EY52480

### WOW Moments

Here at Monkey Puzzle West Acton we are dedicated to making sure you as parents and carers are with us every step of the way in your child's development.

Shortly you will be sent a document which lets you write about what your child has done at home and how they are developing. You will be given the opportunity to add photos and tell us all about their home life!

We will love to hear from you.
